

The Schlumberger Corporation is one of the largest companies in the United States (104,000 employees). We need to employ 30 field operators, 10 diesel mechanics and 10 electronic technicians working 15 days on and 6 days off with pay (well above average pay, first year 60,000+). Applicants can move to North Dakota (company paid) or remain in Idaho with air transportation provided by the company. We are also looking for 20 individuals to work for Coil Tubing in Rock Springs WY or Williston ND, (class A CDL required). Plus 20 wire line applicants must be willing to relocate for this job to Williston or Minot ND. All Positions offer excellent benefits, career opportunities, and growth potential. Few U.S. companies can match the salaries, benefits, and long term opportunities offered by Schlumberger.

Applicants must have above average skills in construction, farming, military, or other advanced mechanical skills and have a good work record with no felonies for 10 years or DUIs in the past 3 years, high school diploma or GED and good driving record. A felony history will not automatically eliminate you from the hiring pool.

Plan to attend the Bozeman Job Fair on October 6 2011 at Bozeman Job Service, 121 North Willson Ave. You must be here promptly at 8:00 a..m noon. Please bring a copy of your resume and driving record. Please wear best pair of Levis, long shelved button down shirt and work boot to interview.
